

THE PROMISE

By: Randy Swift

God's army hid behind the rocks no champion could be found
So David went to face the one who had God's people bound
Then just a short time later ole' Goliath lay there dead
God's army came down from the rocks; their enemy had fled

Don't stagger at the promise that the Lord has made to you.
For the book is full of promises that God said he would do.
He said that he would keep you and you know his word is true.
Don't stagger at the promise that the Lord has made to you.

The Bible is a promise book that tells of a life divine
And if I'll keep the commandments then the promise will be mine
The promise says I'm going away to make a place for you
And if I go I'll come again so you can go there too.
