

## Heaven!

Since Childhood I've heard about Heaven  
And all of the Beauty it holds  
I've heard of the Walls that are Jasper  
And a street that is made of pure Gold  
And I wondered if people really go there  
When the sun of this life is sinking low  
Then I got a vision of Heaven  
And now I can say that I know...

Heaven! Happy Home Above!  
Heaven! Joy Peace & Love  
Oh! It makes me feel like traveling on  
Heaven! Supernal!  
Heaven! Eternal!  
I'm so glad that it's real...

Since I got acquainted with Jesus  
My soul is o'er flowing with love!  
But I have a heart that is broken  
For friends who will miss that home above!  
I long for the voices of my loved ones  
To speak words that end all their grief!  
And say this old world holds no power  
O'er a soul that has found sweet relief!
