

My Lord Will Send A Moses

My Lord sent Moses down to see king pharaoh,
Told him to loose my people and let them go.
They were all burdened down with trouble and doubt.
My Lord sent Moses and he led them out.

My Lord will send a Moses to lead you out,
If you will trust him as you wander about.
If you are burdened down with trouble, don't doubt,
My Lord will send a Moses to lead you out.

We pilgrims now are pressing over the way,
To that fair land of hope and eternal day.
When those are failing brother pray on and shout,
My Lord will send a Moses to lead you out.
