

Oh! This Is Just What Heaven Means To Me

Jimmy Davis

A country where no twilight shadows deepen
Unending day where night will never be
A city where no storm clouds ever gather
Oh! This is just what heaven means to me

A place where there's no misunderstandings
And from all enmity and strife were free
No unkind words to wound the heart are spoken
Oh! This is just what heaven means to me

And when at last I see the face of Jesus
Before who's image other loves all flee
And when they crown him Lord of Lord's I'll be there
Oh! This is just what heaven means to me

***What will it be when we get over yonder
And join the throng around the glassy sea
We'll join our loved ones and crown Christ forever
Oh! This is just what heaven means to me***
